The 1952 McKendrean comes to you with the best wishes of the McKendrean staff

The tree, in its snow dress or decked out for spring,
Adds beauty around us and makes the heart sing;
The oak, pine, and dogwood, to name just a few,
Are dotting our campus with nature's rich hue.

Among the traditions McKendree holds dear
Is that of tree planting by seniors each year;
The saplings add greatness, dignity, and grace,
As beside older trees, they, too, take their place.

The 1952 McKendrean

McKendree College

Lebanon, Illinois

Dedication

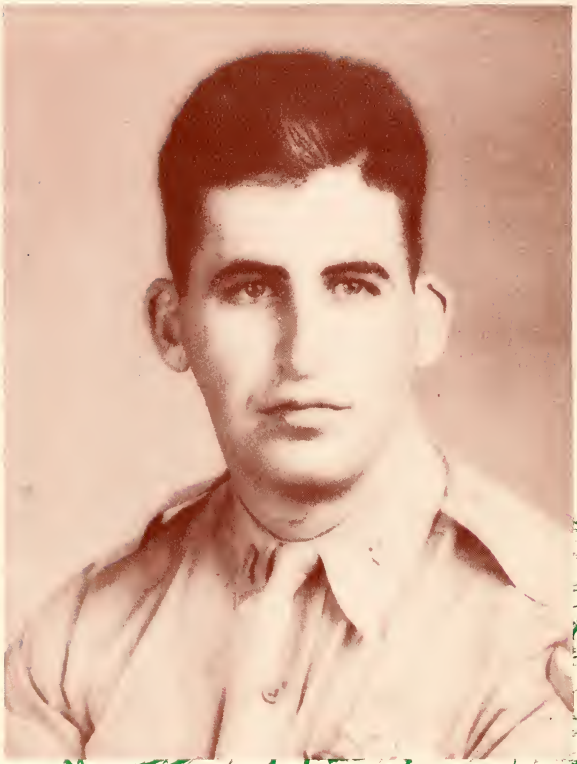
DR. EDWIN P. BAKER—

Whose German expressions and phrases have inspired many of his students, whose good humor has always lifted spirits, and whose faithfulness and service to McKendree for more than 50 years are praised by all those who know him.

Dedication

DR. WILLIAM C. WALTON—

Whose Christian faith and life throughout his many years on the "Old Hill," both in teaching and in his duties as treasurer of the college, are cherished by all, and through whom was made possible the Walton Foundation.



In Memoriam

CAPTAIN JOHN ANDREW OPPITZ,

son of Mrs. Nell M. Oppitz and the late Dr. Lewis K. Oppitz, both of Edwin have loyally served McKendree—

John was a fine, solid, even-tempered, modest young man who was completely reliable in every respect. His friends will remember him as a gentleman and a fine craftsman in the field of journalism. He was the kind of person whom the world can least afford to lose, for he brought a cool reasonableness to his convictions that made possible conversation and persuasion. During World War II John was awarded the distinguished flying cross and the air medal with three oak leaf clusters.

ADMINISTRATION

The Benson Wood Library

Throughout the year the library has received several large and valuable collections.

These collections include those presented by Dr. Samuel Engel Burr, Jr., chairman of the Department of Education, American University, Washington, D. C., Cyrus Gentry, vice-president of the Shell Oil Company, Milburn P. Akers, executive editor of the Chicago Sun-Times, and Robert C. Adair, president of the Goodwill Industries, St. Louis.

With each day bringing additional volumes to the library, plans are to be made soon for the building of a new addition.

DR. RUSSELL GROW
A.B., A.M., Ph.D.

MRS. DORAH GROW
B.A., M. Com. Ed.

To honor President and Mrs. Russell Grow on the occasion of their twenty-fifth wedding anniversary, Mrs. Richard Taylor, their daughter, and their son, Engel, entertained at a tea at the president's home, The Stevenson House, on Saturday afternoon, Nov. 3.

Dr. Russell Grow, who assumed his duties as president of the college in January, 1950, has today seen the completion of some of his plans and dreams for McKendree—the improvement of the faculty, renovation of the dormitories, creation of the Eisenmayer Student Union, and expansion of the evening college.

Mrs. Grow, a most gracious lady, has been influential in the McKendree growth. Her schedule is kept full with duties as president of the WSCS, campus social activities, and teaching in business education at the college.

Basketball

When the Bearcats defeated Principia in their last game, Feb. 25, it brought Coach Hugh F. Redden's record in basketball during his two year stay on the Hill to an enviable 44-11, or 80% victories.

Ron Herrin gained his fourth letter in varsity basketball this season and made it his most brilliant. Ron suffered a broken arm in the thrilling Shurtleff victory.

Clifford "Tip" Maddox transferred here as a sophomore and quickly became a crowd favorite with his stirring all-around play. "Tip" won three "M's" in varsity seasons.

Left to right: Coach Hugh F. Redden, Co-captains Ron Herrin, Clifford Maddox.

Sports

The 1951-52 season was another successful one for the Bearcats of Coach Hugh F. Redden. Losing five of the first ten men from the previous year's squad and playing a much tougher schedule, McKendree nevertheless finished with an excellent 21-6 record.

The Bearcats in these 27 games racked up 2,043 points, for an average of 75.6 a game, while holding their opponents to 1,640 points, for an average of 60.7. As a team, they also ranked high in N.A.I.B. statistics for total offense and field goal percentage.

Gene Hoyt broke his season scoring mark set the previous year, by totaling 701 points for an average of 25.96. Elected "most valuable" by his teammates, Hoyt also broke the late Jim Burnett's individual one game record, set in 1950, when he scored 39 points against Greenville.

Then, Feb. 18 at Mascoutah against Rolla, Hoyt broke his own mark and set another one of 45 points for future Bearcats to aim at. Gene also ranked first in total rebounds for small college players and near the top in individual offense.

High spots of the season were the wins over Illinois college, Scott Air Force Base, Ft. Leonard Wood, Oakland City, and the never-to-be forgotten Shurtleff game, which was won in the last 8 seconds of play.

Jim Redden, statistician—kept all records of teams and individuals, great help in mapping tactics.

Philip Leuellen, freshman forward from Carmi — inexperienced at start but improved rapidly, big help in 1952-53.

Burton Gedney, sophomore pivot from Valley Park, Mo.—outstanding ballhandler from center slot, strong backboard man.

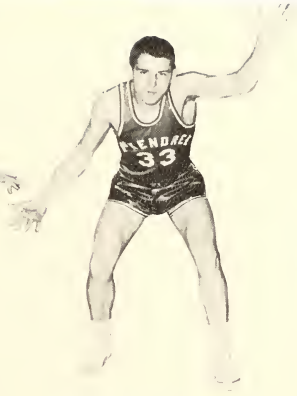
George Butler, freshman guard from Fairfield — splendid shot and ballhandler, gave team humor and fight.

Clifford Maddox, senior guard from Flora—great shot from outside, giant when chips are down.

Gene Hoyt, 6′ 8″ forward from Trenton, holds school scoring records, also fine defensive rebounder, ballhandler.

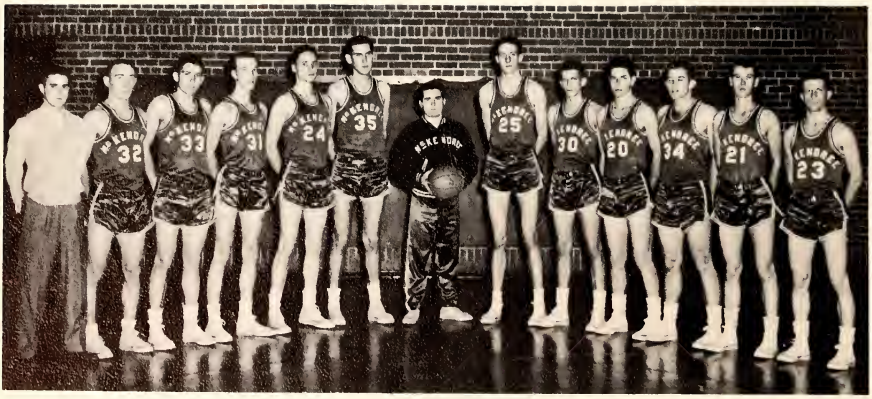
Dean Heitm
man center f
a real come
bounder.

Loy Cruse, freshman guard from Cave-In-Rock—clever dribbler, dangerous outcourt man, outstanding college prospect.



Richard Herrin, freshman forward from Bridgeport—good under basket, should add to laurels of Herrin family.

Charles Leckrone, sophomore forward from Fairfield — fighting, jumping, bundle of motion, excells in interceptions, rebounds, spot-shooting.



Left to right: Jim Redden, Charles Leckrone, Richard Herrin, Paul Wangler, Burton Gedney, Dean Heitman, Coach Hugh F. Redden, Gene Hoyt, Robert Schaefer, Phillip Leuellen, Ron Herrin, Loy Cruse, Clifford Maddox.

Third row: Coach Samuel Carter, Philip Leuellen, Robert Schaefer, Tom Hays, Paul Wangler.

Junior varsity basketball made its first appearance at McKendree during the 1951-52 season, and the baby Bearcats of Coach Samuel Carter gave a good account of themselves, breaking even in 12 games.

Highlights of an interesting slate were the games with the powerful St. Louis University JV's. Although losing both, the junior Bearcats gave the boys from St. Louis quite a scare, especially in the game at Kiel Auditorium.

Otherwise the squad defeated every team they played, trouncing Sanford-Brown twice and avenging initial losses to Belleville J. C., Stowe, and Harris.

Track

The Bearcats gave a good account of themselves on the cinder paths in 1951, despite great losses from the previous year's squad. The trackmen participated in four regular meets, two dual and two triangular, and emerged the victors in one, and never finishing lower than second in the others. They also placed third in a five school meet held in St. Louis, and placed 10th in the Rose Poly Relays held in Terre Haute, Ind.

The squad was very well-balanced in the matter of scoring. Top point getter was Charles Leckrone, with 45¾ in pole vault, broad jump, and high jump events, who barely edged out Bill Lambeth, who collected 45½ in the dashes and the pole vault.

Other outstanding point winners were Jim Redden, 220 and 440 yds.; Cloyce Burns, shot and discus; Ron Herrin, 100 and 220 yds.; and Engel Grow, javelin and shot.

Men's Football

Four strong teams entered the touch football league during the fall semester, and the Bullets (pictured at left) came out on top with a record of four wins, no losses, and one tie.

After the regular season, the "cream" of the other three teams formed an All-Star squad who finally made the champs taste defeat to the tune of 25 to 12.

Men's Basketball

Thirty-six men, comprising four squads, participated in the mid-winter basketball league, held in the new Eisenmayer Student Union.

High caliber play featured these games, as there were many players in the McKendree basketball "hotbed" besides those who performed for the varsity and the JayVee's.

Ed Biznek, (shown at right) was representative of the physical education majors who gained practical knowledge through intramural direction.

Ed Biznek calls a close one.

Other intramural activity during the year included women's basketball, of which there were four teams, badminton, men and women's, and table tennis, men and women's.

Dependable Performance . . .

As you embark upon your journey through life, to undertake the duties of your chosen occupation, success depends upon the performance with which you execute these duties.

The American way of life has always been attributed to dependable performance, by its discoverers, explorers, and generation after generation of its settlers.

We stand in peril today of losing that way of life . . . because dependable performance is gradually being replaced by a premium of incapability, dishonesty, and ignorance.

As each successive graduating class has faced its challenge, so do you today . . . the challenge of Dependable Performance . . . the foundation of America.
